RECOGNIZING CORPORAL JEFF PAUL OF THE SOUTHLAKE PO-LICE DEPARTMENT

## HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES Monday, September 8, 2014

Mr. MARCHANT. Mr. Speaker, I rise today to recognize Corporal Jeff Paul of the Southlake Police Department in Southlake, Texas. Corporal Paul was honored yesterday, September 7th, by the Southlake Baptist Church during a special service for first responders. His years of selfless service, at times in the face of personal adversity, demonstrate his being an outstanding officer and citizen.

Corporal Paul was raised near Chicago but has lived in northeast Tarrant County, Texas, for 27 years. Paul began his career in law enforcement as a Police Explorer in the early 1980s and then quickly became a Public Safety Dispatcher. In 1983, he joined the Southlake Department of Public Safety and, after briefly being a Reserve Police Officer, became a full-time Police Officer. He helped implement the Southlake Police Department's first traffic division in 1989. Later on, in 2002, Paul became a Warrant Officer and Bailiff in the Southlake Municipal Court, and he continues to serve in that role.

In his time with the Southlake Police Department, Corporal Paul was trained as an accident reconstructionist and an Intoxilyzer operator. He is a graduate of the School of Police Supervision at the Institute for Law Enforcement Administration and has earned his Master Peace Officer Certification.

Paul is married with two sons and one grandson, and he thoroughly enjoys attending Dallas Stars hockey games as his favorite pastime.

Mr. Speaker, I ask all of my distinguished colleagues to join me in honoring Corporal Jeff Paul for his career of service and sacrifice.

HONORABLE RICHARD M. FREID

## HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, September 8, 2014

Mr. PASCRELL. Mr. Speaker, I rise today to recognize the Honorable Richard M. Freid who was celebrated for his retirement from judicial service on Friday, August 8, 2014 by his friends, family, and coworkers. He retires after a long career in which he faithfully upheld New Jersey's Constitution.

The Honorable Richard M. Freid is a graduate of Paterson's Eastside High School, Montclair State College and Rutgers School of Law.

Judge Freid was motivated by his uncle, the late Judge Edwin J. Nyklewicz, who became a role model and mentor who pushed him to attend law school.

Early in his legal career he developed a specialization in the representation of law enforcement officers of all ranks from entry level officers through Police Chiefs. He served as personal counsel to five Chiefs of Police for the City of Paterson and in branches from local, county and state police departments in

all types of cases. Judge Freid enjoyed a perfect record of success in all of those cases which proceeded to a jury verdict.

He also served as Counsel to the Paterson Hispanic Police Association and as Counsel to the Italian-American Police Officers Association of New Jersey. He was a proud recipient of New Jersey PBA's Silver Card, its highest civilian award, in 1992 and still treasures many of the close friendships he made in the over 30 years of such service.

Judge Freid was appointed in 2004 by Governor McGreevy to the Superior Court of New Jersey and reappointed with tenure in 2011 by Governor Christie. He has served nine of his ten years on the bench in the Family Division and has sat in every case type possible in the Family Division except Juvenile Court.

His first year of judicial service was in Essex County where he was "taken under the wing" of Judge Peter Ryan who he credits with making his transition from Bar to Bench an easy one. Judge Ryan mentored him in both the application of the law but, more importantly, with how to approach each day on the bench with a common touch and with some degree of humor when the circumstance permitted. Judge Freid continues to experience their close friendship to this day.

Although Judge Freid was required to retire from regular active Judicial service at age 70 pursuant to the New Jersey Constitution, he sought reappointment to recall service. Chief Justice Rabner signed that order which permitted Judge Freid to continue to serve here in Passaic County until his retirement this year.

He was a lifelong resident of the City of Paterson until 1998 when he moved to Hawthorne and then to North Haledon in 2004, where he currently resides with his wife State Senator Nellie Pou. Together they have four children, Christopher Freid, Jennifer Jaworowski, Edwin Pou II, and Taina Pou, along with four grandchildren.

The job of a United States Congressman involves much that is rewarding, yet nothing compares to recognizing and commemorating the achievements of individuals like the Honorable Richard M. Freid.

Mr. Speaker, I ask that you join our colleagues, Hon. Judge Freid's family, friends, coworkers, and all those whose lives he has touched, and me, in recognizing the Honorable Richard M. Freid.

IN MEMORY OF MIKE HOPKINS, SR.

## HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES Monday, September 8, 2014

Mr. BRADY of Texas. Mr. Speaker, I stand today to honor Mike Hopkins, Sr.

He came into this world right outside the Texas state line on September 16, 1944, but became a Texan just as soon as he could.

Elizabeth Marie & David Flinnoye Hopkins raised a man who was a Texan deep in his heart—a man who leaves behind a legacy of achievement and purpose that his children embody.

Mike's son worked in my Washington, D.C. office and only left us to return to Texas to continue his education and start his family.

Clearly he was raised right by a father who considered serving his community not just a necessity, but an honor.

Mike's personal philosophy of "Pass-It-On" has led many across our state to do the right thing. Because a person's legacy is all about the foundation they built with their heart and their spirit, to do the right thing for the right reasons with integrity and character

From Mike's early days in Galveston, to his studies at Texas A&M University, his service to our nation as a proud Marine, and then a community-minded business man, those who knew him and learned from him were blessed to have a true visionary as a mentor and a friend.

Many didn't know Mike was the personal driver for General O.R. Simpson. With hard work and determination, he went from Marine to barkeeper to successful businessman.

You don't win by giving up. Mike believed you won by outworking the other guy and using your head. Those who knew Mike knew his three A's of success: Ability, Aptitude and Ambition.

On July 14, 2014, Mike Hopkins, Sr. passed away peacefully in his sleep at his home in Brenham, Texas. Nina, his wife of nearly four decades was right by his side.

He leaves a strong legacy at Mike Hopkins Distributing Company and at the Wholesale Beer Distributors of Texas.

Our thoughts are with Nina, Holly, Mike Jr., and his grandson Tyler.

IN RECOGNITION OF THE 30TH ANNIVERSARY OF THE TOWNSHIP OF OCEAN HISTORICAL MUSEUM

## HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES Monday, September 8, 2014

Mr. PALLONE. Mr. Speaker, I rise today to congratulate the Township of Ocean Historical Museum as it celebrates its 30th anniversary this year. Since its founding, the Township of Ocean Historical Museum has continued to fulfill its mission of preserving and promoting local history through exhibits, archives, publications, events and educational programs. Its ongoing efforts are truly deserving of this body's recognition.

The Township of Ocean Historical Museum was officially incorporated on April 25, 1984 and was located in a classroom of the former Oakhurst School. The previous year, the Township of Ocean Historical Society, which was founded in 1970 to promote and preserve local, county and state history, merged with the Township of Ocean Historical Museum Association to establish the Museum. Over the years, the Museum continued to grow and in 2009, after several years of restoration, the Museum was opened in the historic Eden Woolley House.

Volunteers have been the backbone of the Museum since its beginning and continue to maintain and support it. It was a group of residents who had presented the community museum idea to the Board of Education in 1983. Volunteer efforts also helped advance the restoration of the Eden Woolley House through fundraising as well as some hands-on work. Today, the Museum boasts a membership of more than 400 families and many of the founding members are still active volunteers.
